Holiday Home Work - 2024-25

Montessori: III

Dear Parents,

Long summer break is the most enviable part of the school life. It provides time for rest and leisure. We hope that our children will enjoy their vacation as well as work on their life skills.

The holiday assignment promises hours of enjoyable and rejuvenating educational activities for your child. There are many ways in which you can support them in gaining knowledge and understanding as well as strengthen the parents child bond.

Children are reflection of their elders. They do what they see around them. In order to infuse compassion in our little ones, we insist that you perform small acts of kindness or wisdom in front of them or ask them to do the same. Some of them are mentioned below:

- Water the plants and feed the birds.
- Take care of pets in case you have them.
- Offer a glass of water or lemonade to a rickshaw puller/ vegetable vendor/society guard in summers.
- Encourage your children to spend time with grandparents.
- Encourage your child to help while laying the dining table, to eat using a spoon/fork, using a napkin and to keep things in the proper place.

→ Help your child to learn parents' names, sibling's names, Principal's, and teacher's names, contact details of one of the parents and the parents' occupation.

→ Help your child to make a routine for play time and screen time (TV, iPad, and phone).

Encourage your ward to use simple sentences, words and phrases in English at home as well. Make them practice the following sentences.

- May I go to play?
- May I drink water please?
- May I go to the washroom please?
- May I wash my hands please?
- I have finished my work.
- May I come in please?
- Mummy, I am hungry!
- Mummy, may I help you in the kitchen?
- Use of magic words like – excuse me, sorry, thank you, welcome and please.

Guidelines:

- * Take a colour printout of all the pages.
- * Complete the project as per the given instructions
- * Make sure it should be completely your child's work
- * After completion of the project, submit it in a cover file.
